

# CALLING ALL VOLUNTEERS

Dear Citizens of Youngstown:

With spring rapidly approaching, Youngstown Litter Control and Recycling needs your help to *Keep America Beautiful* in Youngstown. You, or a group to which you belong, can take part in the nation's largest organized annual cleanup, beautification and community improvement Program---Keep America Beautiful's **Great American Cleanup™**.

Last year, over 2.3 million volunteers in over 15,000 communities volunteered to pick up millions of tons of litter, renew hundreds of parks, plant thousands of community gardens, beautify thousands of miles of community roadways, and clean up rivers, lakes...and more! This year, Youngstown Litter Control and Recycling will be participating in the **Great American Cleanup™** and we are seeking over 2000 volunteers. Youngstown's annual **Great American Cleanup™** program will run from March 1 – May 31, 2010. There are several ways you can help.

Call Youngstown Litter Control and Recycling and select a neighborhood, park, school or any other site to clean up, beautify or improve. You can also join one of the clean-up, beautification or community improvement events that have already been organized. All registered groups will receive complimentary Trash Bags and gloves for litter cleanups. Other event "tools" may be available at no charge as well.

**The annual "Citywide Cleanup" is scheduled for May 22, 2010, but other cleanup days are available.**

For more information or to register, call 330-744-7526, or detach and return the completed form below. We look forward to speaking with you shortly about joining this vital community effort.

*Jennifer Jones, Program Coordinator  
Youngstown Litter Control and Recycling*
